

## PRINCIPAL (M/F/D)

Are you interested in the latest technologies, exciting projects and a great team that would like to welcome you into its midst? Perfectly. Then enrich our team!

At Zielpuls we concentrate on a very specific field of activity: technology-oriented management consulting. Our team forms the bridge between strategic consulting and technical service providers. Together, we plan, develop and coordinate complete technological solutions. A substantial understanding of strategic issues, sound technical competence and an enjoyment of new, highly complex challenges make us unique in our field.

### Tasks at the pulse of time

- Expert consulting for the customer in cooperation with the project and line managers is your passion
- Make the difference: whether at the forefront of the most demanding customer projects or as part of the management team in the internal development of the company
- Even in turbulent project phases, you can remain calm and find a solution in hopeless situations
- You are a professional and methodical multiplier beyond project boundaries – if colleagues are at a loss, you are there to help
- Inspire the customer even before projects arise in the acquisition of new topics and business areas

### Our offer makes your heart beat faster

- Look forward to a permanent job in an industry where a lot can be done in the future. For you this means: best perspectives from the very beginning!
- Tailor-made coaching program for the first months – because your personal support is important to us
- Wide range of training courses via the company' s internal "Technik und Menschen Akademie" – because you can continue your training with us in a targeted manner
- Assumption of internal roles possible (e.g. coaching, recruiting...) – if you want to get involved outside of your projects
- Very good remuneration and a comprehensive package of attractive company social benefits – because we appreciate your daily commitment
- An open and friendly corporate culture with flat hierarchies and short paths – because only then can your ideas be implemented quickly
- Flexible, family-friendly working hours – so that you can pursue your job without worries
- Numerous company events – so that we as a team can grow together even more
- Free drinks and fresh organic fruit – so you can get through the day healthy
